Los Angeles, CA based label Sound in Color has gained international recognition for its forward thinking music, creative collaborations, and beautiful artwork. With releases from the likes of Steve Spacek, Sa-Ra, Ghostface, Daz-I-Kue and many others, the label has generated a legion of fans waiting for the next SIC gems. The 2007 releases will include album projects from Fishbone, Exile, Mumbles, MHE, A'me, Ta'Raach and several sought after projects.

Sound In Color's catalog ranges from Downtempo to Hip Hop, Electronica to Dance, and Indie Rock to Soul. The music from break-out artists such as Steve Spacek and his solo release 'Space Shift' (championed by everyone from Entertainment Weekly to Mos Def), to Dance pioneer Daz-I-Kue (of Bugz In The Attic) and A'me's electronica / rock styling (voice of DJ Muggs' critically acclaimed Anti/Epitaph release), defines SIC's unique sounds as it transcends genres and cultures.

SIC paves the way for fresh new music and has become an industry player in only three short years! Add to the mix an apparel line that represents the marriage of music, art and design that is refreshing in concept and excellent in execution.
